1. As requested, I took this matter up with the Agency Chief on Feb. 25. He ~~will~~ expressed full understanding of the security problem involved and stated that he would take immediate steps to insulate the [REDACTED] in question, to secure from the Administrative Officer an estimate of the expenses in question and to advise me of the same.

2. Since the Administrative Officer [REDACTED] was at one period my liaison officer, the matter should be susceptible of handling without security loss.

3. Inasmuch as I have been occupying only a minimum of space in this crowded building, without stenographic service, and during a period (up to financial reform Aug. 15, 1947) of low cost, the amount in question should not be great.
